

**Amendments to the Specification:**

Please amend the specification by inserting the paragraph below, after the title on page 1.

Cross-Reference to Related Application

[0001.1] This application claims priority based on International Patent Application No. PCT/FR03/02056, entitled "Method for Making an Anisotropic Conductive Film with Pointed Conductive Inserts" by Francois Baleras, Pierre Renard and Cyrille Rossat, which claims priority of French Application No. 02 08451, filed on July 5, 2002, and which was not published in English.
